Action Taken Report

Stake Holders	Feedback	Action Taken
Students	They expressed that the electives offered should be relevant to their specialization streams which are in demand.	The Heads of the Departments are informed to offer those electives to the students which help them in their career.
	Around 61.84% of the students agree with the present curriculum and 30.45% of the students strongly agree with the curriculum.	The gaps in the curriculum are identified and accordingly several programs are conducted like seminars, workshops, field visits etc.
Teachers	They were of the opinion that the curriculum need to be designed as per the premier institutes like IIT's & NIT's so as to crack National level examinations like GATE etc and also to make students industry ready.	The Librarian is instructed to see that GATE and other competitive examination books are available in the Library and HOD's are advised to guide the students by providing them the necessary material and mentoring form the staff.
	Around 63.58% of the teachers agree with the present curriculum and 36.18% of the teachers strongly agree with the curriculum.	The teachers are requested to suggest any changes that are needed in the present curriculum and that is brought to officials of the University whenever they have visited our campus.
Alumni	The Alumni were of the opinion that the curriculum and the quality of education imparted to them are helping them quite a lot in their present jobs and requested for more of practical exposure.	Field visits, internships, industrial oriented mini projects are organized.
	Around 59.36% of the teachers agree with the curriculum and 38.64% of the teachers strongly agree with the curriculum.	-----
Parents	The parents were of the opinion that the curriculum is excellent around 36.48%, 38% very good, 12.49% good, 10.95% average and 2.73% poor.	The same is brought to the notice of the university officials as and when they visit our campus.
