Action Taken Report

Stake Holders	Feedback	Action Taken
Students	Around 42.10% of the students strongly agree with the present curriculum, 53.07% of the students agree with the curriculum and 4.75% of the students disagree.	The gaps in the curriculum are identified and accordingly several programs are organized like seminars, workshops, field visits etc.
	The students are of the opinion that advanced topics and emerging areas in the Computer Science Engineering need to be included in the curriculum of all the Departments.	The MOOCs Coordinator is instructed to see that the students of various branches are to undertake SWAYAM courses related to Computer Science Engineering and advanced topics.
Teachers	Around 48.68% of the teachers strongly agree with the present curriculum, 49.99% of the teachers agree with the curriculum and 1.3% disagree.	-----
Alumni	Around 43.83% of the alumni strongly agree with the curriculum, 50.74% of the teachers agree with the curriculum and only 5.41% disagree.	-----
	The Alumni of the Institute suggested to have more number of inter disciplinary courses in the curriculum with more weightage in the Computer Courses.	This suggestion is brought to the notice of the University authorities during their visit to the college and accordingly Open Elective system is introduced for III rd and IV th B.Tech
Parents	The parents were of the opinion that the curriculum is excellent around 38.00%, 41.04% very good, 19.75% good, 1.01% average and 0% poor.	The same is brought to the notice of the university officials as and when they visit our campus.

	The Parents wanted to have more training sessions for the improvement of communication and presentation skills and also requested to introduce personality development courses in the curriculum	The Training & Placement Officer is instructed to conduct more number of programmes as suggested by parents.
Employer's	Employer's agree with the curriculum and were of the opinion that advanced courses need to be taught to the students	The add on programs/certificate programs on advanced topics are conducted.
