

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	KAMALA INSTITUTE OF TECHNOLOGY AND SCIENCE
• Name of the Head of the institution	Dr. K. SHANKER
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	9177670003
• Mobile no	9000181003
• Registered e-mail	principal@kitssingapuram.ac.in
• Alternate e-mail	kitssingapuram@yahoo.co.in
• Address	Singapur, Huzurabad
• City/Town	Karimnagar
• State/UT	Telangana
• Pin Code	505468
2.Institutional status	
• Affiliated /Constituent	Affiliated
• Type of Institution	Co-education
• Location	Rural

• Financial Status	Self-financing				
• Name of the Affiliating University	Jawaharlal Nehru Technological University- Hyderabad				
• Name of the IQAC Coordinator	Dr.M.V.Satish Kumar				
• Phone No.	+919000181003				
• Alternate phone No.	9177670003				
• Mobile	9849313697				
• IQAC e-mail address	iqac@kitssingapuram.ac.in				
• Alternate Email address	principal@kitssingapuram.ac.in				
3.Website address (Web link of the AQAR (Previous Academic Year))	https://www.kitssingapuram.ac.in/assets/frontend/pdf/AQAR2021_22.pdf				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://www.kitssingapuram.ac.in/academic-calendar				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A++	3.6	2023	24/01/2023	23/01/2028
Cycle 1	B++	2.89	2019	09/08/2019	08/08/2024
6.Date of Establishment of IQAC			09/07/2014		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
NIL	NIL	NIL	NIL	NIL	
8.Whether composition of IQAC as per latest NAAC guidelines			Yes		
• Upload latest notification of formation of			View File		

IQAC		
9.No. of IQAC meetings held during the year	2	
<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
<ul style="list-style-type: none"> IQAC has suggested applying for UGC autonomy and taking initiative in this direction by filling the application. 		
<ul style="list-style-type: none"> IQAC initiated action plan to face peer team visit by NAAC for reassessment. 		
<ul style="list-style-type: none"> IQAC initiated for mock inspection of all files and relevant proofs 		
<ul style="list-style-type: none"> IQAC has suggested introducing few more undergraduate courses in emerging areas to meet the present industry requirements. Governing body of the institution has resolved to introduce courses like Information Technology (IT) and Internet of Things (IoT). 		
<ul style="list-style-type: none"> IQAC has suggested for focusing on Innovation, Entrepreneurship. Accordingly, IIC has conducted internal hackathon and EDC and NISP committee jointly organized a workshop. Similarly EDC has organized guest lectures by successful alumni entrepreneurs. 		
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year		

Plan of Action	Achievements/Outcomes
To expose faculty members to the advancements in the areas of Engineering.	An Eight-Week online FDP on Cloud Computing and DevOps was organized from 25-02-2023 to 08-04-2023
To expose faculty members to the advancements in the areas of Engineering.	An Eight-Week online FDP on Machine Learning with Data Science was organized from 25-02-2023 to 08-04-2023
To expose faculty members to the advancements in the areas of Engineering.	Two Days Workshop on Advancements in Electrical and Electronics Engineering was organized from 17-03-2023 to 18-03-2023.
To expose faculty members to the advancements in the areas of Engineering.	Three Day Faculty development Program on Embedded systems in wireless sensor Networks was organized from 21-07-2022 to 23-07-2022.
To expose faculty members to the advancements in the areas of Engineering.	One Day Workshop on Design Thinking for Civil Engineers was organized from 04-05-2023 to 04-05-2023.
To expose faculty members to the advancements in the areas of Engineering.	Two Day Workshop on Advanced Materials and Processing Techniques was organized from 10-11-2022 to 11-11-2022.
To encourage technical supporting staff and ministerial staff to upgrade themselves.	One day workshop on creation of Google forms was organized on 29-10-2022.
To encourage technical supporting staff and ministerial staff to upgrade themselves.	One day workshop on Ms-Office & Internet was organized on 25-01-2023.
To encourage technical supporting staff and ministerial staff to upgrade themselves.	One Day workshop on Office Automation and Management was organized on 18-12-2022.
To encourage technical supporting staff and ministerial staff to upgrade themselves.	One day Workshop on CNC Programming Turning and Milling was organized on 28-01-2023.

To give awareness to the students about the emerging areas in Engineering.	One day Workshop on Embedded System organized on 21-10- 2022.
To give awareness to the students about the emerging areas in Engineering.To give awareness to the students about the emerging areas in Engineering.	A Three Day Workshop on Relational Database Management System was organized from 21-12-2022 to 23-12-2022.
To give awareness to the students about the emerging areas in Engineering.	A Five Day Online Workshop on Software Test Automation Selenium was organized from 06-02-2023 to 10-02-2023.
To give awareness to the students about the emerging areas in Engineering.	A Three Day Workshop on Cloud Computing was organized from 23-02-2023 to 25-02-2023.
To give awareness to the students about the emerging areas in Engineering.To give awareness to the students about the emerging areas in Engineering.	A Three Day Workshop on Python Programming for Beginners was organized from 01-03-2023 to 05-03-2023.
To give awareness to the students about the emerging areas in Engineering.	A Five Day Workshop on Python Programming and its Essentials was organized from 14-03-2023 to 18-03-2023.
To give awareness to the students about the emerging areas in Engineering.	One day workshop on Basic Soldering was organized on 03-04-2023.
To give awareness to the students about the emerging areas in Engineering.	Introduction to Nano Technology-current applications was organized on 08-05-2022.
To give career guidance awareness to students within the campus and also to outsiders as part of societal responsibility.	A Seminar on Higher Education and Career Opportunities Abroad was organized on 17-04-2023.
To give career guidance awareness to students within the campus and also to outsiders as part of societal responsibility.	One Day Workshop on Career Opportunities for Diploma Holders was organized on 04-11-2023.

To give awareness to faculty members and students about trends in research methodology and Intellectual property rights.	One Day National Workshop on Research methodology-essential skills was organized on 20-08-2022.
To give awareness to faculty members and students about trends in research methodology and Intellectual property rights.	Emerging Trends in Research Methodology was organized from 16-02-2023 to 18-02-2023.
To give awareness to faculty members and students about trends in research methodology and Intellectual property rights.	Intellectual property rights, emerging trends, issues and challenges was organized on 17-02-2023.
To motivate students towards entrepreneurship - startups as their career opportunity. To motivate students towards entrepreneurship - startups as their career opportunity.	Workshop on startups in Indian scenario-challenges & opportunities for engineering graduates was organized on 16-09-2022.
To motivate students towards entrepreneurship - startups as their career opportunity.	A Seminar on Orientation on Entrepreneurs & Startups was organized on 06-12-2022.
To motivate students towards entrepreneurship - startups as their career opportunity.	Guest lecture on entrepreneurship was organized on 17-12-2022.
To motivate students towards entrepreneurship - startups as their career opportunity.	Guest lecture on Opportunities for Entrepreneurs in Post COVID Scenario was organized on 18-03-2023.
13. Whether the AQAR was placed before statutory body?	Yes
<ul style="list-style-type: none"> Name of the statutory body 	
Name	Date of meeting(s)
Governing Body meeting	22/12/2022

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2022-23	08/02/2024

15. Multidisciplinary / interdisciplinary

KITS Singapur is affiliated to JNTUH, Hyderabad and it is strictly following guidelines prepared and provided by the University. Our affiliating university is already offering many multidisciplinary/interdisciplinary courses. The university has introduced the new curriculum under R22 regulation w.e.f the academic year 2022-23 by considering National Education Policy-2020.

16. Academic bank of credits (ABC):

Provisions of Academic bank of Credit proposed in the draft of NEP to facilitate multiple entries and exit points in the academic programs. This is an innovative idea to earn and deposit credit through National schemes like SWAYAM, NPTEL, V-Lab. By these students will be able to earn credits and get the program completed. The institution's preparedness in implementation of Academic Bank of Credits depends upon the guidelines of the affiliated university JNTUH. KITS shall abide by the curriculum and structure prepared by the JNTUH in this regard.

17. Skill development:

As mentioned earlier KITS is an affiliated institution and doesn't enjoy preparing and implementing its own curriculum. It has to follow the designed curriculum provided by the JNTUH. KITS enrolled its students in Telangana Academy for Skill & Knowledge programme (TASK). TASK is an initiative of the state government of Telangana.

TASK was established in 2014 for skilling youth and creating synergy between institutions of Government, Industry and Academia with the objective of improving quality, relevance, access and Outreach of training. It also facilitates entrepreneurial abilities and enhances industry linkage. Training sessions by TASK are helpful to students to equip themselves with the missing skills that are required in the market thus making them industry-ready. The programme helps improve their Communication, team-Work and problem-solving and decision-making abilities.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute is affiliated to JNTUH Hyderabad and it can't make any changes in the prescribed curriculum. As the university provides us to conduct induction programme for the first year students we take the chance to train students to have knowledge on Indian culture. We conduct several lectures by the eminent speakers to inculcate cultural integration among the students.

Our teaching faculty are also involved in teaching 'Human Values & Professional Ethics' as an audit course. We bring awareness among the students about cultural integrity and build healthy relationship among the students irrespective of caste, creed, religion and gender. Our Institute is also having association with campus radio where the students can express their views regarding to the Indian culture, languages etc. The affiliating university has introduced "Indian Knowledge system" as a mandatory course for one of the UG programmes and it is expected to get included in other UG programs in future course of time.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Our affiliating university already started implementing OBE from 2016. The institute is focusing on implementation of OBE in teaching learning process ,question paper setting and other academic issues.Three branches of the institution are accredited by NBA in the academic year 2021-22.

20.Distance education/online education:

JNTUH is not providing distance education mode forawarding degrees.The Instittution is encouraging faculty and students to upgrade themselves by attending FDPs/Workshops/Conferences in both offline and online mode. Faculty and students are also getting certifications through MOOCS.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institute strictly follows the curriculum given by the affiliating university, JNTUH. The institution ensures effective curriculum delivery through a well planned mechanism and documented process.

- Every teacher prepares teaching schedules, course files and subject files which are endorsed by the Head of the Department.
- Apart from black board and chalk, the teachers are encouraged to use innovative methods like ICT tools to promote effective content delivery.
- Every teacher records the topic covered in each class. Academic coordinator along with principal convenes meetings periodically with the student representatives to solve the issues related to syllabus coverage.
- Assignments are prepared with Course Outcomes.
- Slow learners are identified through mid exam result

analysis and remedial classes are planned for them. Evaluation of teaching-learning process is done through a feedback mechanism.

- Department Academic Committee (DAC) identifies the gaps in the curriculum, if any, and suggests the department to organize guest lectures, workshops, field visits etc. Students are encouraged to register for MOOCs to update themselves. Experiment conducted by a student in each lab is recorded in the register as well as laboratory record book.
- Student progression is monitored by communicating the attendance and marks to parents through www.kits24by7.in portal.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institute is affiliated to JNTU, Hyderabad. The university releases an academic calendar for two semesters separately. This calendar clearly mentions the date of commencement of class work, two spells of instructions, schedule for two mid examinations, practical examinations and end semester as well as supplementary examination. The institute strictly adheres to the academic calendar set by the affiliating university and also prepares an Institute Academic Calendar incorporating institute level events. In addition, every department prepares their academic calendar incorporating depart level activities. Curricular and extracurricular activities, exam schedules and other activities are displayed in the academic calendar. Parent teacher meeting date is also mentioned in the academic calendar. Faculty conducts theory and practical classes as per the time table in alignment with the academic calendar. The institute completes every aspect of continuous internal evaluation like Setting the mid-term question paper, evaluating the scripts and submitting the marks, uploading the marks to the university are done following the time limit. Along with theory exams lab internal as well as external evaluation will be conducted as per the university schedule and marks will be uploaded to the university portal by following time limits.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Apart from professional progression, students need to be trained to become responsible for the society in which they live. Gender equality, Conservation of environment and sustainability, Human Values and Professional Ethics are courses that help prepare students for a life of social responsibility. JNTUH, the affiliating University has duly introduced these courses into its curriculum and the institute is promoting their effective delivery. The curriculum is being implemented with the help of senior teachers. Student activities like NCC and NSS are also included in the curriculum as mandatory courses. In addition the institute is also encouraging students to conduct programs about Environment and Sustainability through carbon conscious club. Institute also inculcates the practice of these ideas like gender equality and professional ethics by organizing programs under different banners.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

- The institute assesses the learning levels of the students by various means and takes measures as per requirement.
- Continuous internal evaluation is implemented by the institute and students are assessed through assignments and internal examinations (both in theory and labs).
- The institute effectively implements the counseling system and every faculty member is attached to a group of 15- 20 students to assess their learning levels.
- Slow learners are identified after evaluating their performance in first mid examination.
- Remedial classes will be conducted to slow learners. Counselor takes special care on slow learners and focusses on their attendance in regular as well as remedial class work.
- They will be given additional inputs by faculty as well as their team leaders in Mini Project and Major Projects.
- Advanced learners are encouraged to improve their performance further by attending Curricular, co-curricular, extra-curricular activities and competitions conducted within or outside the institute.
- They will be provided with additional reading and learning material to appear in competitive exams and also for future careers.
- They are given the responsibility of leading the team in Mini Project and Major Projects.
- They are encouraged to participate in competitions, Smart India Hackathon Smart city Hackathon, challenge, coding contests etc.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

- Student centric methods of teaching are the most approved pedagogy followed by the institution.
- Teaching aids like models and charts are prepared by involving students.
- Students are encouraged for self learning by registering for MOOCS. Screening of NPTEL lectures is a regular practice in the institute. Digital library is also used for self learning.
- All the students of the institute have to deliver technical seminar in their final year, in addition they are encouraged to attend programs outside the institute for their self learning.
- Institute encourages students to undergo online/offline internships and visit industries to learn by experience.
- All the students have to do Industry oriented mini project and spend time in an industry to get learning experience about the latest trends along with Major Project.
- The institute lays more focus on laboratories, which helps the students in participative learning as well as experiential learning.
- Institute conducts tutorial classes for different subjects where numerical problems are solved, which improves their problem solving experience.
- T&P division organizes a variety of CRT programs, which helps them in boosting their problem solving skills.
- Departments also organises Guest lectures/Workshops/Seminars to enhance their learning experience.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The following facilities are available at the institute for effective teaching- learning

- All departments are equipped with ICT-enabled facilities for teaching.
- All the departments are having e-class rooms with LCD projectors and other accessories.
- Wi - Fi access in the campus, especially in e-class rooms. Digital Library to provide online resources and content for teachers and students to update their knowledge.
- Two-way Video Conferencing facility.
- e-learning resources like NPTEL Videos Digital Cameras.
- Camcorders.
- Teachers use the following ICT tools and resources:

1. Google Classrooms
2. Youtube NPTEL
3. Wikipedia SWAYAM NDL
4. JNTUH eLSDM
5. ieeexplore Slide share
6. E-resources and techniques used

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

- At Kamala Institute of Technology & Science, mechanism of internal assessment is transparent and robust.
- Students are assessed at regular intervals by adopting the continuous internal evaluation system.
- Assignments are given at regular intervals and 1st & 2nd midterm exams are conducted after completion of 8th and 16th week respectively and students are evaluated for their performance.
- The midterm examination question papers are prepared by the concerned teachers. Once scripts are corrected, the same will be shown to the students to know their mistakes and also to maintain transparency.
- Marks will be displayed in the notice board to give access to all the students.
- Marks will be sent to the Parents/Guardians through college portal.
- Scheme of evaluation is strictly followed in both theory and lab examinations.
- Students are evaluated for all the experiments performed in a lab during the semester and grading will be given based on their performance.
- In every lab internal examination is conducted and students are evaluated, before the external examination. External examiners for lab are drafted by JNTUH to maintain standards and transparency.
- A robust and transparent system is developed to evaluate the students for their performance in Technical seminars, mini project and major project.

File Description	Documents
Any additional information	View File
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

- The Examination Grievance Redressal Cell(EGRC) registers grievances regarding evaluation of internal answer scripts and external examinations. The redressal cell comprises of Principal, Head of Departments, and In charge of Examination Branch. The students can approach the cell for any issues regarding the evaluation of their scripts.
- The faculty distributes evaluated answer scripts to students, and clarifies the doubts related to the

evaluation. The internal marks are then displayed on notice board. If a student is not satisfied with the marks awarded even after this, they may represent to EGRC through the concerned HoD. All such representations are taken positively and are re-assessed by another faculty, if necessary.

- The grievances are resolved within three days after receiving the grievances from the students. The final internal marks obtained by the students are displayed on the notice board after the grievances are resolved within one week. Students who were absent for internal examinations due to genuine reasons or those who are not satisfied with the marks secured can apply for computer-based test conducted by the University.
- All the parents are informed about their ward's performance by SMS through the institute portal www.kits24by7.in.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute follows the Program Outcomes (POs) as specified by Accreditation Board for Engineering and Technology. The Program Specific Outcomes (PSOs) and Course Outcomes (COs) are defined by the department. These are displayed on the institute website and communicated to the students and other stake holders. The mechanism of communicating the specified POs, PSOs and COs is stated below.

The Program Outcomes, Program Specific Outcomes are displayed/communicated through banners/display boards at different prominent places in the department and also through Laboratory manuals. In orientation program for first year, they will be communicated to students and parents.

Teachers are well aware of COs, as they are involved in the process of framing COs. They are well versed with them as they involve in setting assignments and mid-term question papers by incorporating COs for each question. They are also having awareness about POs, CO-PO matrix formulation, calculating target

and achievement and also analyzing the gap.

Every teacher explains COs of the subject to the students, in the beginning of the semester. Students will be given awareness to attain POs even by project work (Ex: Engineer & Society).

Few of the POs are given awareness in departmental association activities (Ethics, Team Work, Communication).

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The process of attainment of CO-PO & PSO is done by defining the COs for each course. Faculty handling the course frames COs based on the syllabus. A correlation is established between COs-POs & PSOs on the scale of 0 to 3. The matrix for COs-POs and PSOs is prepared for all courses and finally merged to form Program level CO-PO and PSO Matrix. The two assessment methods followed are Direct and Indirect assessments. Direct Assessment is made based on the average marks obtained in mid-term exams and performance in laboratories and external examinations. Indirect Assessment is from the feedback taken from exit-students, alumni, parents and industry. Attainment level is obtained based on the average marks obtained by the student in the internal examination and external examination and placed in 0 to 3 scale.

CO-PO and PSO attainment is calculated as: CO attainment (Direct)

$$= (0.25 * \text{Internal Assessment}) + (0.75 * \text{External Assessment})$$

CO attainment is calculated for all the courses in a program and merged to calculate the final PO & PSO direct attainment.

The final PO and PSO attainment is calculated as:

PO & PSO attainment = (0.8 * Direct Assessment) + (0.2 * Indirect Assessment)

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institution has created an environment which encourages the staff and students to actively engage in research and innovation.

R&D cell motivates the staff and students towards quality and innovative research. Faculty members are encouraged to attend FDPs/ workshops/ conferences and transfer the knowledge to students.

Every department organizes programs to transfer the knowledge beyond the curriculum. IETE, ISTE, IE(I), CSI, SESI & IAPT chapters conducts programs to faculty and students for the transfer of knowledge.

The institution has an Institution Innovation Council (IIC), to ignite the innovative thoughts among the students. This resulted participation and prize winning by students in hackathons and other competitions at different levels. Few of the faculty members have cleared AICTE- IIC trained ambassador certifications. They train the students in design thinking and start-ups. Entrepreneurship Development Cell (EDC), National Innovation Startup Policy Committee (NISP) were established to nurture the students to take Entrepreneurship as their career. EDC organizes guest lectures by successful alumni entrepreneurs and transfer the ideas for innovative start-ups.

The library is well equipped with National/International Journals and DELNET to enable the students and staff to know the research trends. Staff and students are encouraged to upgrade themselves by registering for MOOCs.

3.4 - Extension Activities	
3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year	
<ul style="list-style-type: none"> • In line with the mission, the following programs were organized by NSS and NCC for the holistic development of the students. • NSS unit has organized a Plastic awareness rally in one of the adapted villages, Somaram and also conducted Kisan Diwas in the neighbouring villages. • Road Safety Awareness Bike Rally was also organized by NSS unit at Singapuram Village. • Pledge was taken by villagers on World No Tobacco Day. • NCC Unit of the institute took part in GANGA UTSAV - A River festival • Help the Helpless team from the institute regularly visits orphanages and old age homes. • National Yoga day is conducted, to spread the awareness about yoga and its benefits. • NCC camps are organized to students of our campus as well as other colleges. • The NCC unit has organized FIT INDIA Freedom Run and celebrated National Unity day. • Physics department in collaboration with Indian Association of Physics Teachers (IAPT) conducted extension activities. Involvement in these extension activities sensitized the students towards social issues and responsibilities. • Students were able to develop all round personality. They have realized the importance of discipline, time management, self-confidence and environment consciousness.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institute is spread over 26.25 acres and provides state of the art infrastructure and facilities for teaching- learning process with a built up area of 27,225 square meters. Institute has 31 classrooms in addition to ICT class rooms, 48 laboratories and a computer centre, 9 tutorial classrooms and 2 drawing halls. Engineering Workshop has an area of 620 square meters. Every department has a project lab. Models and charts are available in all the departments. Institute has a total of 732 computers. Every department has LCD projectors and computer equipments like desktops, printers and Wi-Fi facility. Institute has well equipped laboratories and in few of the labs, the equipment is beyond the curriculum. Central library is stocked with 48392 Text books, 73 journals, 12 technical magazines and newsletters, Springer nature e-journals. It has taken DELNET membership, under which 235 e journals are available to the staff and students. Each department has a separate department library. Institute has facilities like seminar halls, auditorium, Hostels, Principal residence and staff quarters. Other facilities includes, RO mineral water plant, Roof top based solar power plants (2*100 kwp capacity) ATM facility, canteen, ambulance service, Fire safety system, Solar water heating system and generators.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

At our institute, equal importance is given to cultural activities, fitness, yoga, games and sports on par with regular academics. Institute has a separate building for Indoor games and gymnasium in the year 2004 with the funds from central govt with a built up area of 1148sq.mtrs. It has two wooden flooring badminton courts and facilities for playing caroms, table tennis and chess. Separate gymnasiums are established for boys (16 station) and

girls (8 station). Outdoor games facilities includes Basket ball court, Volleyball court, Khabaddi court, Throw ball court, Cricket pitch for net practicing. High jump landing mattresses, short put, discuss through, jawalein through facilities are available. They are encouraged to practice Yoga every day. Most of the students are using these facilities, they also excelled in sports and won many prizes. The institute has state of the art Auditorium with 450 seating capacity, which is used by the students for organizing different cultural & social activities. Three seminar halls are located in three academic blocks, which are used to conduct students' association activities of different departments. Seminar halls and auditorium are also used to conduct students fest, technical fest, Student Activity Center (SAC) related programs.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The central library with 730 Sq.mt area with capacity of 150 is with good infrastructure and ambience. There is regular subscription to newspapers, magazines and journals, there by augmenting the library as a rich source of knowledge. In addition to central library, each department is well equipped with department library.

For functioning of library easy and effective, the institute has automated the operations using LIBSYS Software. Library is having bar code reader facility for easy identification of books.

LIBSYS software LSEase (Version Rel.5.7.2): It has six main modules, i.e.,

1. Technical processing (cataloguing)
2. Circulation
3. Acquisitions serial management
4. OPAC besides administration
5. Queries
6. Utilities

Features of LIBSYS software: Scalable, manageable and efficient. Compatible to run on any version of windows OS.

LIBSYS software LSEase (Version Rel..5.7.2) consists of various modules on acquisition, cataloging, circulation, serials control, and Online Public Access to Cataloguing (OPAC) which automates

library functionalities. The Library will be utilized by the faculty , staff and students to access facilities like DELNET, NDL,SWAYAM , NPTEL, OPAC (online Public Access to Cataloguing for book search) service, previous question papers, book bank service for SC-ST, Reference service, Journals Current Awareness services/ Daily News Papers etc.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Recognizing the importance of technology in education, the institute is continuously improving IT infrastructure. Institute has purchased 20 latest configuration systems in this assessment year, with which the total number of computers has increased to 732. Institute has purchased 31 more LED monitors in this year and old CRT monitors were replaced by them. For effective online teaching the institute has also purchased Graphic tablets and web cameras. Number of printers and scanners available in the institute are 40. LAN networking is available in few of the computer labs. 19 CC cameras are purchased in this assessment year and they were fixed at prominent places in all the academic blocks, with which total number of CC cameras has gone up to 49. For effective monitoring of online exams few of the CC cameras were fitted in two labs in Computer Science department. Internet bandwidth is enhanced by procuring 40 MBPS in addition to the existing 400 MBPS in this assessment year with which the total bandwidth in the campus is 440 MBPS. Printers, projectors and all other equipment are maintained at regular intervals for smooth functioning. For capturing the student attendance 8 biometric devices are purchased with which total number of biometric devices available became 11.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The maintenance of physical facilities of the institute like departmental classrooms, laboratories, seminar hall, department library, computers, projectors are done at the level of concerned heads. Class rooms and laboratories are utilized as per the timetable. SOPs for handling various chemicals, equipment and

instruments are strictly followed. Stock registers are maintained and updated regularly in all the labs. Old and outdated equipments are discarded by standard procedure. The maintenance of computer laboratories and software updates and issues related to internet/Wi-Fi are taken care by system administrator. All the sports equipment will be maintained by Physical Director. All technical maintenance staff is under the control of Project Engineer. Routine and preventive maintenance is executed with the support of both internal staff and external agencies. Project office maintains a complaint register and whenever a complaint is recorded, it will be addressed immediately by the concerned technical staff. All the solar panels are maintained by EEE department. In central library books are utilized by both staff and students and they are issued for a period of 15 days. Periodically, condition of all the books is monitored and old books are maintained by binding the books.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

- The institute has constituted various academic and administrative committees where the students play major role.
- The institute has framed well defined norms to facilitate student's representation. Including IQAC, Internal Complaints Committee (ICC).
- Students are involved in Anti-Ragging committee, Class review committee. Every semester, toppers in the previous semester will be nominated as class representatives.
- In addition students play vital role in organizing committees of various bodies like CSI, IETE, IEI, SESI etc and also in Students Activity Centre(SAC). They take the role of President/Secretary/Joint Secretary of departmental associations, through which they organize a number of programs for the benefit of students.
- Every alternate year, the institute celebrates a national level Technical, Sports and Cultural fest called KITSOZEN, in which students play vital roles as coordinators of different events.
- Institute encourages students to actively participate in service activities of NSS, where student coordinators take the lead role in organizing the programs. The institute has a NCC wing for both boys and girls. They not only take part

in camps and pared but also extend their support to local police and other bodies.

- Students take the responsibility of organizing sports meets and various programs under different clubs.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Institute has a registered Alumni Association with registration number 162/2009 that contributes significantly to the development of the institution. 1507 members registered in the association till date (it's a floating data). Governing body is constituted for the association. The association is active in organizing seminars, guest lecturers, motivational lectures by alumni entrepreneurs and career guidance to the students by way of transfer of technology/knowledge. Association organizes institute level as well as department level alumni meets at regular intervals. Alumni association plays an important role in motivating the alumni for

financial support to the institution. Alumni refer their juniors at their workplace when ever vacancies arise. One of the alumni is contributing as a member of IQAC. During this academic year CE department organized an interaction to give awareness about PGECET exam preparation. EEE department organized three alumni interactions to guide students for GATE preparation and also on improving soft skills. ME department has conducted six activities on Career opportunities in core and IT fields. ECE department has conducted two guest lectures on Fundamentals of signal processing and also on basics of AI.CSE department arranged alumni interaction to guide students in interview preparation.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Institute has a well defined organizational structure which encourages decentralization and fosters leadership qualities by delegating authority and decision making power to various levels of employees. In tune with the mission of the institute, i.e. to disseminate technical knowledge of highest order, many committees are formulated at department level as well as institute level. Institute has different sections/wings like Academic section, Examination section, T&P Cell, NCC wing, NSS wing etc, each headed by a senior faculty member supported by department coordinators. They strive for the realization of the points in vision and mission of the institute like character building, societal responsibility, globally competitive students etc. IQAC and Institute Academic Committee (IAC) regularly monitor the quality of teaching learning process to achieve the institute's

vision of providing quality technical education to its students. To achieve its vision and mission institute has many student driven clubs which give myriad opportunities for interpersonal skill development. These clubs and associations regularly organize intra and inter college technical, sports and cultural events, conduct quiz and other competitions. These events help students to develop right attitude and encourages them to grow into balanced and all rounded individuals capable of taking leadership positions.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

KITS(S) has established many institutional practices encouraging decentralization and participative management. Committees are formulated to decentralize the academic and administrative activities to empower the staff and encourage participative management. There are certain standing committees and in addition certain ad-hoc committees are formed, as and when required.

Case study

Various committees have been formulated at the institute level as well as at the department level for the NAAC reassessment work to get better grade. Senior faculty members have been assigned the responsibility of coordinating the various activities and criteria, with Principal as the chair person. Every faculty member is the stakeholder in the success and they have been involved in various criterions and other responsibilities. Thus with the involvement and participation of faculty members, NAAC peer team visit has been completed smoothly without any hitches and the institute accredited with A++ grade. Participative management is successfully practiced in the institute by involving all the stakeholders by regularly conducting parent-teacher meetings and alumni interactions. Faculty and employees are involved in the management either as a subject teacher or/and laboratory instructor or/and student counselor. Hostel students are involved in mess management. The above are examples of successful implementation of participative management by the Institute.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institution has developed a strategic plan for five years i.e 2020-25 with a focus on various aspects like NBA accreditation for at least three departments, ISO certification, awareness on OBE, quality publications, multi disciplinary research etc. Faculty were encouraged to attend NPTEL courses on OBE. The institution has made its efforts to effectively deploy the strategic plan. Institute has applied for NBA accreditation for three branches and successfully got accredited. Faculty members were encouraged to publish papers in standard journals. Faculty was given awareness about the need for multidisciplinary research. Final year students were encouraged to take up their projects, which involves multi disciplinary knowledge. Institution has got ISO certification in the year 2021 and got renewed in September 2022. The institute has also applied for reassessment by NAAC in the year 2022 and got accredited with A++ grade by NAAC in January 2023. Institution has MoU with Kakatiya Institute of Technology & Science, Warangal a premier institute under Kakatiya University, for quality enhancement in various aspects. CSE department of the institution has organized a national level conference FACET-23 to encourage faculty in multi disciplinary research. All the departments of the institute have invited alumni for interaction with the present students.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

- The organizational structure of the institute includes Chairman, Secretary and Principal as the Ex-officio members of the Governing Body.
- Principal ensures that the decisions taken by the Governing Body percolate to all the levels for effective implementation.
- Heads of the departments are responsible for all the academic activities of their departments. They guide and monitor the faculty and students for the smooth functioning of the department.
- In charge of examinations assisted by department coordinators, takes care of the conduction of internal and external examinations fairly.
- In charge of academics takes care of the academic activities and maintains all the records related to academics.
- Training and Placements Officer acts as a link between HR recruiters and the institute and is responsible for organizing various technical and soft skills training sessions.
- The Institute focuses on the effective implementation of policies via institutional level bodies like BoG, IQAC, IAC, T&P cell and through committees like NISP, IIIC, EDC and CGC etc. Institute's strategic plan of securing ISO certification, accreditation for three departments by NBA, improvement in the number of faculty with doctoral degrees, etc itself is a proof that functioning of institutional bodies is effective and efficient.
- Institute follows the Administrative manual .

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

The Various welfare schemes are provided for the benefit of teaching and non- teaching staff of the Institute.

- Fee concession is given for the children of teaching and supporting staff studying at KITS.
- Fee concession is given economically weaker students.
- Institute provides maternity leaves for women employees.
- Institute provides Group insurance, Gratuity and EPF.
- Institute provides Group insurance for students.
- Teaching and non-teaching staff opting to stay at staff quarters are given accommodation for nominal rent and amenities like electricity at highly subsidized rates.
- Free uniform for class IV employees and Engineering workshop supporting staff.
- Special academic leave for pursuing Ph.D is granted.
- Sponsoring for higher education through Quality Improvement Program (QIP).
- Encourages the faculty members to publish research papers in conferences, journals and offers incentives for such publications.
- Institute provides paid leaves and financial support to attend workshops/ conferences/seminars/FDPs.
- Institute supports in conducting training programs.
- It encourages teaching and non-teaching staff to participate actively in workshops, conferences and Faculty Development Programs (FDPs) for their professional and personal enhancement.
- Promotions and increments are given to the teaching and nonteaching staff based on seniority as well as on the basis of performance appraisal.

- **Subsitized transport facility provided to faculty members.**

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

1. Performance appraisal system for teaching staff: The institute has the practice of evaluating the performance of the faculty members based on self appraisal, confidential report of the heads of individual departments and student's feedback too is taken into

consideration. Every year all the faculty members are given a self assessment questionnaire, which consists of the details such as Improvement of academic qualifications, Details of research papers published/presented, Professional development activities undertaken etc. Once the staff submits Performance appraisal form, Head of the department fills the confidential part considering various factors and submit the same to the principal. Principal scrutinizes and evaluates the performance of each faculty member based on their self appraisal, confidential report of the HoD and students feedback. Lastly, each and every faculty member's appraisal form will be submitted to secretary and correspondent for his perusal.

2. Performance appraisal system for the non- teaching staff: The non-teaching staff performance is evaluated on the basis of criteria such as performance in the laboratories, ability to discharge various responsibilities etc. On the basis of these parameters, the head of the department/section in-charge submits a report on each employee to the principal to evaluate their performance.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Heads of the departments submit budget proposal to Principal for every financial year based on the budget requirements of laboratory in charges (recurring and non-recurring expenditure) for the entire academic year. Accounts officer prepares a detailed budget at the institute level. The proposals are made on different heads such as laboratory equipment, library expenses, salary payments, building and infrastructure, sports facilities and other maintenance expenses. Institute level requirements are discussed in the Heads meeting and the total recurring and non-recurring budget requirements are finalized. Then the comprehensive budget proposals are placed for the approval of the finance committee.

Finance committee approves the budget with modifications if any and places for the approval of Governing Body. The Governing Body of the institute consisting of university nominee, management representatives, industry and academic members discuss upcoming financial year's recurring and non-recurring budget details and ratify the budget approvals given by finance committee. Institute internal auditor audits and verifies the accounts regularly. The institute has a chartered accountant from SCV & Associates (Reg. No. 003666S) an external auditing agency. He audits the accounts every year and these financial documents are used for all statutory purposes.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The major source of income for the institute is the funds through tuition fee paid by the students. As and when there is a requirement of additional funds, society provides the amount. It also generates income by offering the facilities for the various competitive examinations like TCS on-line and off-line exams, TSPSC on-line exams, staff selection committee and PSU banks. Funds are also generated by offering consultations. Optimal utilization of funds is ensured through following: Funds allocated and their

utilization for FDPs, orientation programs, workshops, etc. is monitored by HoD. Funds allocated and their utilization for enhancement of the library facilities is monitored by Librarian under the guidance of Principal. Funds allocated and their utilization for development and maintenance of the infrastructure is monitored by Project Engineer under the guidance of Principal. Funds allocated and their utilization to procure suitable equipment for innovative student projects is monitored by concerned HoD.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC has contributed significantly for institutionalizing the quality assurance through the following two strategies

1. Updation of knowledge by Faculty: Faculty members are encouraged to update themselves by way of organizing/ attending FDPs, Workshops, Conferences and Webinars. Faculty are involved in research by registering for Ph.D and publishing quality papers. They also register for courses through MOOCs and update themselves. As a result of this strategy 33 faculty members are pursuing their Ph.D and among them 2 got awarded Ph.D. in the last year. This strategy yielded good results and 127 faculty members have received certificates so far in various MOOCs courses and many more have registered this academic year.

2. Enhanced Industry-Institute interaction: Another important strategy institutionalized by IQAC is giving awareness to students about the latest trends in industry which assures quality in their learning process. To enforce this strategy the institute has 47 active MoUs with different organizations and 442 students got industrial exposure as a part of their industry oriented mini projects and internships (online as well as offline). In addition every year few students will do the major projects in the companies, with which the institute has signed MoU.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Institution reviews its teaching learning process at regular intervals through IQAC.

The following two examples illustrate the process.

1. **Feedback on teaching learning process:** Institute takes feedback from students on teaching learning process at the end of every semester. Feedback given by students will be converted on to a 10 point scale. Faculty members with less than 6 score will be identified and counseled by the concerned HoD to improve their performance. In case the performance is not improved, a letter will be issued for his/her improvement. It is observed that the feedback of faculty members has improved as a result of this process. Institute has also implemented reforms in this process of feedback collection.

2. **CRs meeting with Principal and Officer I/C Academic affairs:** The institute conducts meeting with the class representatives every semester and takes their feedback on teaching and other academic issues. Officer in charge of academic affairs will convene the meeting in the presence of the principal. Actions will be initiated by the HoD based on the feedback and the same will be communicated to the academic section. It is observed that as a result of actions taken, the problems raised by CRs were reduced.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution teaches Gender Sensitization in the curriculum. In addition the institution also promotes gender sensitization through co-curricular activities like guest lectures, poster presentation, counseling etc. Awareness programs like importance of human rights, Cyber security, related to the safety and security of women employees and students are conducted periodically.

Every year SHE teams will visit the campus and give awareness about gender sensitization and also related acts. The institution constituted the following committees as per norms laid by University/UGC: Institution Grievance redressal cell, Anti-Ragging committee, Sexual harassment and women protection cell. The functions of these committees are displayed on the website of the institution and information is being disseminated to the students through orientation and induction programs. The institution provides safety and security facilities for the staffs and students such as CCTV Surveillance in the campus and security arrangement. Students wear ID cards at all times and outsiders are checked by security staff before allowing visitors. Personal counseling is provided to the students particularly to girls by senior lady faculty at different levels. There are waiting rooms

for girls. Washrooms are provided with sanitary napkin vending and disposal machine for the safe and hygienic disposal of sanitary napkins.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

All the buildings in the institutes are provided with several dustbins from where housekeeping staffs take the wastes and dumps at the dump yard. Institution recommends the concept of 3Rs namely reduce, recycle and reuse. After following 3Rs method, if any paper wastes from academic blocks, library, examination branch, administrative offices, hostels, guest house are disposed through vendors for recycling. Institute promotes digital platform to reduce the usage of paper for communication and sharing documents. Bio-degradable wastes are separated effectively and converted into fertilizer by composting methods inside the campus and are used for the plants and to maintain flower garden.

Institute discourages uses of plastic; particularly single use

plastics in campus. Institution has well developed drainage system to take care of liquid waste. It properly disposed the liquid waste into the main drains. At places where ever possible, waste water from hand wash etc, are diverted for lawns/greenery. Waste from health centre is properly disposed. The e-waste is properly stacked in designated place and later disposed through vendors for proper waste management. Awareness programs on e-waste are conducted to reduce e-waste in the campus. No Hazardous chemicals and radioactive waste is used in the campus.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Institute organizes programmes to ensure harmony among students and makes them part of the inclusive environment towards cultural, regional and socio-economic diversities. Ganesh Chaturthi is celebrated in grand manner by the students and faculty in campus. National and Regional festivals like Sankranthi, Bathukamma, Ramzan and Christmas are celebrated in the college by involving all the students. Institute organizes Rangoli competition and kite festival in the campus, for staff and students during Sankranthi (Pongal) festival. Blood donation camp is organized annually at our institute where students, teaching and non staff voluntarily donates. NSS Unit of the institute adopted 4 neighboring villages under Unnat Bharat Abhiyaan scheme to conduct activities for their socio-economic development. NCC cadets and NSS volunteers of the institute took part in activities like helping local police during Sammakka-Sarakka Jathara. Students Activity Centre (SAC), Departments and institute organizes programs/Fests at regular intervals to motivate students towards cultural diversity. Human Values and Professional ethics are included in the curriculum and faculty injects these two during the classroom teaching. In addition alumni will be invited to interact with the students and motivates them towards practicing the Professional ethics.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The institute is always in forefront in inculcating the values among the students. It sensitizes employees and students about their rights, duties and responsibilities by various means.

Constitution of India, Human Values and Professional Ethics are part of the curriculum. Apart from classroom teaching, the institute organizes programs under NSS, NCC and Students Activity Centre (SAC). Road safety week, Voters' day and Women's day, International Human Rights Day, NCC day, NSS day are celebrated every year in the institute. Employees and students of the institute actively participate in blood donation camps and Haritha Haram at regular intervals. NCC cadets of the institute play responsible role by supporting local police in different events . NSS volunteers take active participation in conducting awareness programs in neighboring villages. The institute encourages No-Plastic zone and awareness programs are conducted by Carbon Conscious Club. Students consistently participate in the cleaning activities in and outside the campus under swach Bharath. Students Activity Centre (SAC) organizes programs on the occasion of Independence day, Republic day and Gandhi Jayanthi.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The institute gives priority for holistic development of the students and organizes programs in this direction. Institute celebrates both national and state festivals in a traditional way to give insight to the students about the rich culture of the country as well as state. Students Activity Centre (SAC) organizes programs on the occasion of Independence day, Republic day and Gandhi Jayanthi to recall the sacrifices made by the freedom fighters. NCC wing of the institute organizes programs on commemorative days like Martyrs' day, Kargil Divas. In addition the institute also pays tributes every year to the former Prime minister of India and father of economic reforms Late. Sri.P.V Narasimha Rao. It is also practice of the institute to pay tributes to the Founder Chairman of the institute Late.Sri.V.Rajeshwar Rao, Ex-M.P, Rajyasabha. It is a regular practice of the institute to celebrate Teachers' day, Engineers' day and motivate the faculty members for their contribution in this noble profession. Faculty members are felicitated for their contributions and achievements on every teachers' day. International Yoga Day, International Womens' day are celebrated and programs will be organized on these occasions.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice - I Title of the Practice:

Contribution to the rural community through Societal based projects and service motto activities.

Objectives of the Practice:

"Educate students to grasp societal and rural issues, offering solutions."

The Context

Inspire students to engage in projects addressing societal issues and participate in service-oriented activities.

The Practice

The institute consistently promotes students to address societal issues through projects and actively encourages their involvement in serving society through NSS and student associations.

Evidence of Success

Students' societal projects received appreciation from local community and users, few published in journals and others won project competitions.

Problems Encountered:

Despite challenges in raising awareness and time constraints, the institute successfully executed impactful societal projects.

Best Practice - II Title of the Practice

Converting rural talent in to globally employable professionals through effective pedagogical initiatives and training programs

Objectives of the Practice:

Motivate first-gen engineers towards real-world training, ethics and skill upgradation.

The Context

Institute empowers rural students with global employability through guidance, motivation, quality education, counseling, and training.

The Practice

The institute employs robust counseling, effective pedagogy, ICT classrooms, continuous assessments, alumni involvement, collaborations and diverse training for holistic student development and employability.

Evidence of Success

The institute's successful practices result in global excellence for graduates, securing employment and empowering alumni in diverse fields.

Problems Encountered:

Challenges include student assessment, adaptable pedagogy, balancing academics, empowering slow learners, and alumni coordination.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Making technical education accessible to the rural community is the distinctive vision of the institute with priority to make the rural youth technically competitive, ethically strong and globally employable. The institute is located at Singapuram village which is on the highway, exactly midway between two district headquarters of the state. The campus is 27 acres with lush greenery and eco-friendly which emphasizes on sustainability

(solar energy). Institute implements the innovative practices to bring out full-fledged technical graduates, so that they can survive in the competitive world after the course. With the welldeveloped infrastructure and peaceful environment, the institute has emerged as a better choice for aspiring minds. IQAC monitors and ensures quality in academic and administrative aspects of the institute. Institute always tries to be distinctive by adopting and implementing various practices like

- Encouraging and motivating the students towards innovative societal based projects.
- Encouraging enthusiastic students through Entrepreneurship Development Cell.
- Enhanced facilities in the library by digitalizing Promoting gender equity and making the campus harmonious through women protection and grievance cells.
- Use of student developed software for automating attendance and marks management.
- Strong Industry-institute interaction.

7.3.2 - Plan of action for the next academic year

- Acquiring autonomous status to the institute.
- Submission of research proposals by faculty and students.
- Encouraging the faculty members to pursue higher education.
- Improving the quality of publications by faculty members.
- Encouraging the faculty members to get awareness on New Education Policy (NEP) by attending relevant programs.
- Conducting awareness programs on Outcome Based Education (OBE)
