REPORT OF INDUSTRIAL VISIT

The Department Of EEE Under the banner of KESA (KITS ELECTRICAL STUDENTS ASSOCIATION) organized **INDUSTRIAL VISIT** to **TRANSLITE ENERGY LIMITED, HYDERABAD** for IV yr students on 10/11/2023 as the part of KESA activities. Our Management has provided the Bus facility for the students.

They permitted 45 students and 2 faculty for the visit. We started from our campus at 6AM and reached the plant at 10.00 AM. Staff of the industry has received the students and then they formed two Groups. One group was guided by Design engineer S.Aravind and another group guided by Madhusudhan Reddy Site engineer.

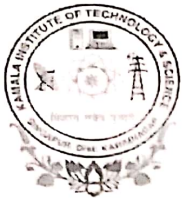

They informed safety rules for students before entering in to the plant. Engineers have explained the types of transformers, and ratings of the transformers, parts in the transformer like L.V winding, H.V winding ,how they are prepared and core preparation, insulation types and preparation, how the moisture is removed before filling the oil, what type of oil is required for insulation.

The students are observed the detailed manufacturing of transformers and gain more knowledge regarding transformer.

After completing the visit our HOD and KESA coordinator thanked the Manager, design engineer who helped us for visiting. At the end of the visit photo session has done with Manager and Design Engineer, students.

After completion of visit the students have submitted their reports regarding Industry visit.
